

# PROPANE SAFETY

Do you know the steps to take if you smell gas in your home?

1. No sparks or flames
2. Leave the area immediately
3. Shut off the gas
4. Report the leak
5. Get your system checked
6. Do not return to the area

At Sunrise Cooperative we strive to foster a philosophy of safety for both our **customers** and **employees**.

**Sunrise**

COOPERATIVE

*Success grows here.*
